BERTOIA Basics

Bertoia auctions

BERTOIA Basics

The new Bertoia Basics concept will provide collectors of all levels a new opportunity to purchase quality antiques with the original Bertoia service, but with a new bidding format. Bertoia Basics Auctions will occur several times each year. One day auctions hosted live online as well as via absentee bidding. In lieu of a printed catalog, the Bertoia Basics auctions will offer several online catalogs as well as a downloadable PDF version which collectors can choose to download and print as they wish. Items will be made available for preview in advance of all auctions. We welcome all advance preview appointments or information requests.
